

5.1.2 Comment (Add a comment)

To add a comment, select the program segment and click **Comment**. When you add a comment to a single program line, "--" is added to the beginning of the program segment. For multiple program lines, "--[[[" and "]]]" are added to the beginning and the end of the program segment respectively.

5.1.3 Uncomment (Delete a comment)

To delete a comment, select the program segment and click **Uncomment**.
