

6.1 System IO

Click the  **I/O** page in the menu, then click  **System IO**, and you can see the two areas:

- System DI: 8 digital inputs for SCARA robots; 8 digital inputs for VA robots.
- System DO: 8 digital outputs for SCARA robots; 8 digital outputs for VA robots.

Green circle  indicates that the DI/O is On; orange circle  indicates that the DI/O is Off.
