

3.5 Manage a project

This section introduces the project management functions such as copying, deleting, and renaming.

3.5.1 PC project

■ **Project folder management**

Right-click the [DROEsolution] folder in the PC project list, and the following options are shown.

Icon	Name	Description
	Add New RL Project	Create a new RL project; refer to Section 3.2 for details.
	Update	Update the PC project list.
