

- **Administrator**
Allowed to modify all settings.
- **Device Manager**
Allowed to modify device related settings.
- **User (Read Only)**
Only allowed to view settings without the permission to make changes.

5-3-5 FW Upgrade

The Upgrade page shows the Mini SNMP's current firmware version. The Administrator can update the Mini SNMP's firmware on this page. Click **Choose File**, select the file and click **Upload**. The upgrade process should take about one minute.
